DATE:
OCTOBER 19, 2017

TIME:
7:00PM

PLACE:
Interlake High School Library
16245 24th St NE Bellevue, WA

October 2017

Letter from the SFCC President - Regi John

Dear Neighbors,

Thank you for the privilege and honor for serving our neighborhood as President of the Sherwood Forest Community Club this last two years.

It has been an absolute phenomenal experience, with tons of learnings on my end. I had to lean on, count on, the much needed support and collective wisdom from the Board members and Trustees. The words of encouragement I got from you along the way made the role that much more meaningful and special. Thank you!

As I came to be involved in community matters, working with Board members and Trustees, the City and folks from our neighboring communities, I have come to especially understand how important and special Sherwood Forest is to the City of Bellevue. There is indeed a great deal of respect that is bestowed on Sherwood Forest from neighboring communities and the City.

This is a community we have decided to call home. It is also a community in great transition, with lots of opportunities and challenges. We have to continue the good work of those before us, improving, protecting, adjusting.

I therefore urge each of you to get involved and continue to be involved. I call you to begin by participating in the Sherwood Forest Community Club. We can make a difference.

Thank you again,

Regi John

Annual Meeting Agenda | October 19, 2017 - 7:00PM

The agenda for the SFCC annual meeting includes:

Election of new officers to the SFCC Board of Directors for the 2017-2018 term

Treasurer's report

Review of SFCC Board 2016-2017 year

Review of membership dues for the calendar year 2018

Discussion of goals and direction of Sherwood Forest Community Club

The Ballot, including space for write-in candidates, appears in this Newsletter (page 4)

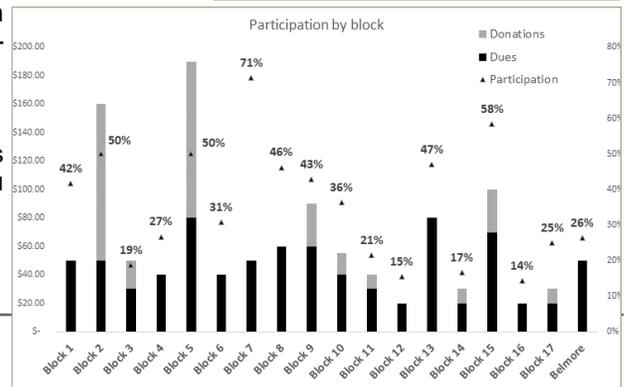

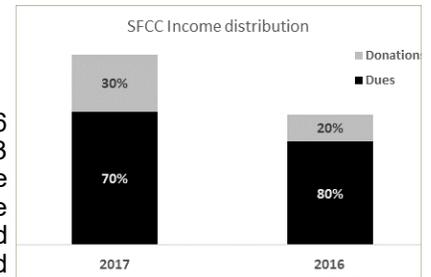

**WE STRONGLY
ENCOURAGE
RESIDENTS TO ATTEND
THE MEETING IN
PERSON**

Treasurer's Letter

SFCC finances improved this fiscal year thanks to the increase in participation as well as a reduction in the amount of expenses compared to fiscal year 2016. In addition we received a significant amount of donations from Sherwood Forest residents. Thank YOU!

Even though the level of participation increased, only 81 out of the 236 households paid the \$10 annual dues. This is little more than 1 out every 3 homes. Many of the day to day expenses are covered by donations of the board members themselves but annual dues pay for recurring expenses like P.O. box and meeting room rentals, newsletter printing as well as federal and state registration fees. Although SFCC appreciates the donations, we would prefer to rely less on donations and have more participation from the community. To help illustrate the level of participation we prepared the following chart that shows the participation by block.

Please come to the annual meeting to learn the full details and feel free to bring your comments and questions. You can also pay your 2018 dues at the meeting.

Bellevue Technology Center

Over the last year SFCC board and community members actively participated in the effort to oppose an application that would have removed development restrictions on the BTC site. On January 31st, KBS, the real estate company that owns the BTC campus, filed an application with City of Bellevue to change the policy in the Bellevue Comprehensive Plan regarding the BTC parcel.

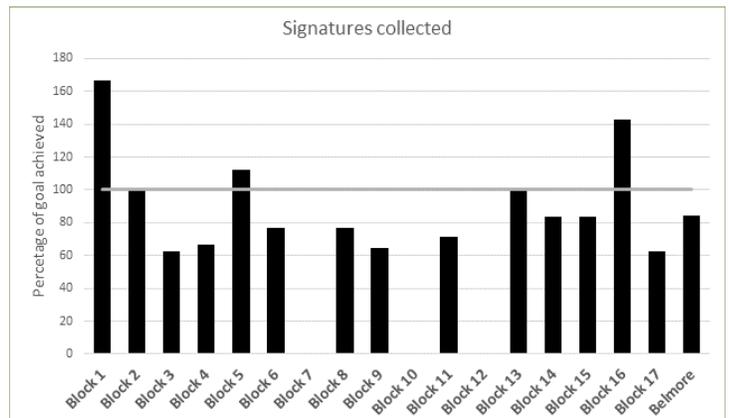

SFCC joined other Northeast Bellevue communities to create a well-organized group that drove the opposition to KBS and presented evidence and arguments at different public hearings throughout the year. Among other things, SFCC block reps collected signatures from residents opposing the development of BTC. A total of 185 signatures from SFCC were collected and contributed to the more than 1,500 signatures presented to the Planning Commission.

Once again the interests of NE residents prevailed and on June 26th the application for Comprehensive Plan Amendment for the Bellevue Technology Center site was withdrawn after the applicants realized the CoB Planning Commission was unlike to approve their application.

This victory would not have been possible without the work from SFCC residents and block reps. Your participation sent a clear message to the city indicating the importance of the site and the value that our community places on the green and open space.

We want to thank everyone for participating in this community effort. Thank you to all of those who attended the public meetings, signed the petition, took the time to add comments and presented testimony.

The SFCC land use committee and board will continue to monitor any developments regarding this site. Thanks again for all your support!

SFCC Block Representatives

Block 1	NE 30th to 164th	Kurt Howeler	Block 10	NE 26th St (west end)	Grant Gilkinson
Block 2	NE 29th St (east end)	Sam Osheroff	Block 11	NE 27th St (west end)	TBD - Open
Block 3	NE 28th St (east end)	Ken Schiring	Block 12	NE 28th St (west end)	Herb Holeman
Block 4	NE 27th St (east end)	TBD - Open	Block 13	160th PI NE	Hank Sung
Block 5	NE 26th St (east end)	Diane Parry	Block 14	NE 29th	TBD - Open
Block 6	NE 25th St	Samir Chugdar	Block 15	NE 27th PI	Regi John
Block 7	NE 24th St (east end)	Cathy Lewis	Block 16	160th Ave NE	Karen Campbell
Block 8	162nd Ave NE (south end)	Dan Crevensten	Block 17	159th Ave NE	Gary Dubois
Block 9	161st Ave NE	John Haro	Block 18	Belmore	Ying Ping

Block boundaries at: sherwoodforestblog.wordpress.com/about/map

Sherwood Forest Committees

Block Watch Develop and implement, block-by-block, the City of Bellevue Block Watch program to promote residential awareness, safety, and security.

Communications Develop and maintain an electronic communication system. Help with publication of Quarterly SFCC newsletters and any other community materials.

Emergency Preparedness Develop and implement a block-by-block preparedness program to address impacts from severe storms, earthquakes, and other disaster.

Land Use Monitor Bellevue and Redmond land use development proposals affecting the Sherwood Forest neighborhood. Have contact with City of Bellevue officials on Land Use. Be involved with City of Bellevue Land Use events, send summary of event back to SFCC Board

Neighborhood Enhancement Monitor the Bellevue Neighborhood Enhancement program, including announcements and proposals for NE Bellevue from City of Bellevue. Solicit feedback from residents and other means such as social media, email etc, on enhancements to the neighborhood

Traffic & Transportation Committee Monitor Bellevue and Redmond transportation plans, proposals, and projects with the potential to impact the SF Neighborhood.
